A limited number of \$600 and \$300 scholarships are available for next year. Applications are reviewed confidentially. Applying is not a guarantee of receiving any form of assistance; rather it is an opportunity to share your need with scholarship donors.

Decisions will be based on demonstrated financial need, commitment to school work, and the student's potential to be an asset to Central Kansas Christian Academy. Students failing to follow school behavior policies may lose their scholarship. Students failing to work at their best levels may lose future eligibility for scholarships. Top grades are not required as long as the student is trying their best to achieve.

Preferences will be given to the parents who have pre-enrolled by the spring deadline and who have their school accounts up to date.

***All scholarship applications must be turned in to the school by April 15th.
Anything received after the deadline will go on a waiting list.**
